PRIZE POOL

₹2,00,000

Total prize pool

PROBLEM STATEMENTS

89 available

Choose your challenge

Your team can confirm only one problem statement, and it can't be changed afterwards. Review it carefully before confirming.

Have your own idea?

Propose your own problem statement. If the admin approves it, it becomes your team's problem statement. Only 5 team ideas can be approved · 5 of 5 slots left.

Propose your idea

UI/UX Web Dev Vibe Coding **Agentic AI**

Construct autonomous agents capable of dynamic reasoning, multi-step execution plans, memory persistence, human-in-the-loop oversight, and API ecosystem integration.
